Dear Teachers,

Attached is the list of Worship Care for 2008. Please take the time to put these dates on your calendar for the coming year!!! This will help to ensure that Mission always has two teachers for the children at 11:00 Worship.

The list will also be in the Newsletter and on the Web site should you lose your copy. This will be especially helpful if you need to trade weeks with the person before or after you.

I will also mail you a copy of what the children have been learning about in Sunday School. Anything that you can add to that story through activities or teaching will help to reinforce what the teachers have already done that morning.

Thanks for your commitment to the children at Mission!

Sincerely,

Beverly Cobb
